Subject: BEP TIF Reimbursement transfer to Demo TIF
Date: 04/04/18

The Terre Haute Department of Redevelopment has completed the Acquisition and Demolition of 62 abandoned and vacant residential properties through the Blight Elimination Program, administered by the Indiana Housing and Community Development Authority, from 2014 through December 31, 2017. The City has been reimbursed a total of \$633,819.03, for funds expended from local Edit and Redevelopment funds. In addition to the properties acquired and demolished for reimbursement through the BEP program, another 60 residential properties were demolished during this time, with approximately \$411,200 of local EDIT funds, and counted towards a match requirement for the BEP Program.

There are an still 21 additional residential properties which were acquired, but not demolished through the BEP Program, and will cost approximately \$158,400 to have asbestos abated and for the demolition costs. This request to transfer the \$180,728.13 of EDIT funds is needed to help cover these expenses, and other residential properties put on hold due to the priority given the BEP Program.
